

# Filtration

High performance  
materials for air  
and liquid

# Over 50 years commitment to the global filtration industry.

We Purify and Protect with Every Fiber, for a Sustainable World. Our Filtration division develops and produces high performance materials for transportation and for a wide range of air & liquid industrial filtration applications.

Electrification is now driving our future with **Ahlstrom FilteEV®**: a comprehensive range of filtration solutions for Electric Vehicles and, **Ahlstrom FortiCell® LAB**: our fiber-based solutions specifically designed for Lead Acid Batteries.

## Essential air and liquid filtration applications.

### Transportation

Engine Air Intake / Engine Oil / Engine Fuel / Cabin Air / Fuel Cell Air Intake / Transmission & Cooling Oil

### Industrial

Air Pollution Control / Gas Turbine / HVAC & Clean Room / Air Oil Separation / Hydraulic

### Liquid

Food & Beverage / Process Fluids / Water Purification

### Lead Acid Battery

AGM Media / PE Separator Reinforcement / Pasting Materials

### Rated Platinum for sustainability performance.

Ahlstrom has been awarded EcoVadis' highest recognition level, Platinum, for the company's sustainability performance, placing our Group among the top 1 percent of companies assessed by Eco Vadis.

# Filtration expertise and production capacity across the globe.

Global network of sales offices and 38 plants and converting sites in 13 countries, approximately 7,000 employees..

- ▶ More than 6,000 customers in over 100 countries
- ▶ Net sales of approximately EUR 2.6 billion
- ▶ Head office in Helsinki, Finland
- ▶ We offer custom made specialized fiber-based materials
- ▶ Our purpose is to Purify and Protect with Every Fiber, for a Sustainable World

## Ahlstrom in brief

Ahlstrom is a global leader in combining fibers into sustainable specialty materials. Our purpose is to Purify and Protect, with Every Fiber, for a Sustainable World. Our vision is to be the Preferred Sustainable Specialty Materials Company for all our stakeholders. We serve five growing and distinctive end markets, which form the basis for our five divisions: Filtration, Food & Consumer Packaging, Healthcare, Building Materials, and Technical Materials. Our pro forma net sales 2021 for continuing operations amounted to EUR 2.6 billion and we employ some 7,000 people.
