Protecting people and keeping them safe

In today's challenging environment of COVID 19, there is an increased demand for products to protect people and keep them safe.

Face masks play a critical role in the fight against the pandemic.

Already established as a global leader in medical and filtration applications, Ahlstrom-Munksjö has now developed a complete offering for face mask applications.

Extia® Protect is Ahlstrom-Munksjö's latest comprehensive portfolio, capable of protecting patients and people worldwide.

Comprehensive Portfolio

Delivering effective solutions to help keep people safe, Extia® Protect is a comprehensive range of materials, offering different levels of protection.

Personal Protection Equipment (PPE) Masks

Protecting operators from the working environment, meeting personal protection standards EN149:2009.

Surgical Masks

Protecting patients and healthcare providers; meeting EN14683:2019.

Civil Masks

Protecting people in the street, in shops and on public transport against projections of saliva. Meets international standards for civil masks, including French standard AFNOR S76-001 Category 1.

The benefits of Extia® Protect

Protection

Protecting people, patients and surgeons from projections of contaminated fluids, as well as workers from contaminated environments.

Filtration Performance

Delivering high levels of filtration efficiency, compliant with international standards.

Reliability

Security of supply and world class manufacturing from a global supplier, compliant with ISO 14001 environmental standards.

Ahlstrom-Munksjö is a global leader in fiber-based materials, supplying innovative and sustainable solutions to customers worldwide. Our offerings include decor paper, filter media, release liners, abrasive backings, nonwovens, electrotechnical paper, glass fiber materials, food packaging and labeling, tape, medical fiber materials and solutions for diagnostics. Combined annual net sales are EUR 3 billion and we employ 8,000 people. The Ahlstrom-Munksjö share is listed on the Nasdaq Helsinki and Stockholm. The company was formed on April 1, 2017 through the merger of Ahlstrom Corporation and Munksjö Oyj. Read more at www.ahlstrom-munksjo.com
